DOGOSCOPE

Cancer: June 21 – July 22

Cancer canines are incredibly sweet natured and loving, always giving affection to their owners. But don't take their sensitive nature as a bad thing – Cancer pups are strong protectors of the home and of any children in the family, making them an excellent guard dog. Cancer dogs are at home in water and will love a good swim in the ocean, so be sure to take them to the beach to see them in their element.

Traits: Sweet – Loving - Protective

MISS DAISY – ADVICE FROM A DIVA
