DOGOSCOPE

Sagittarius: November 22 – December 21

Sagittarius dogs want nothing more than adventure and freedom, so be sure to take them to wide open spaces and let them loose as much as you can! Sagittarius pups love spontaneity and going to new places, and will want to sniff everything and anything along the way. As a fire sign, they have a feisty personality and may be more vocal than other dogs but make wonderful companions for all humans nevertheless.

Traits: Adventurous – Spontaneous – Feisty
